

RULES AND REGULATIONS

FOR THE 2005 BAHAMAS HOME & BUILDERS SHOW

A. Objectives of the Trade Show & Expo

To provide a unique educational framework for the dissemination of the newest ideas in the housing industry through the assembly of leaders from all areas of the building industry, with program activities and product displays, and with the primary purpose of exchanging information directed at solving complex building needs, both national and international.

B. Character of Exhibit

It is understood and agreed by each exhibitor that the Exposition is undertaken by BHBS (hereinafter "Exposition Management") primarily for the education of trade professionals, who represent all phases of the housing industry. To this end, each exhibitor agrees as follows:

1. To exhibit only products manufactured or distributed by the exhibitor, comprising materials, equipment, apparatus, systems, services, and other component products.
2. To display such products or services in a manner which is intended to describe and depict the advantages of using such products or services,
3. That due to the great number of companies exhibiting similar or related product lines, Exposition Management cannot guarantee that a company exhibiting similar products (including an exhibitor's competitor) will not be located in a nearby or adjoining booth space,
4. That this application becomes a binding contract upon issuance of the confirmation and invoice.

Exposition Management reserves the right:

1. To prohibit any exhibit or part thereof which, in its sole opinion, violates the agreement described herein or is, in any other way, not suitable to or in keeping with the character and spirit of the Exposition,
2. To close an exhibit which is found to violate this agreement during the course of the Exposition,
3. To change the floor plan (including but not limited to aisle spaces), without notice, in order to comply with fire, safety and accessibility regulations or provide, in its exclusive judgment, a safer, more satisfactory, attractive and successful Exposition. Exposition Management has absolute discretion to exercise these rights.
